How to order

At the top of the page, select the current Cycle Year and Lunch Cycle (for fall 2026: Cycle Year 2026 and Lunch Cycle 2026–27 First Semester).

1. Log into Sycamore.
2. Click **My Accounting**.
3. Click **Cafeteria**.
4. Click **Orders**.
5. Select the day or days.
6. Click **Update**.

Lunches can also be ordered in Sycamore's official app for iPhone (App Store) and Android (Google Play).

To view your balance: **My Accounting**, then **Cafeteria**, then **Account**.

Lunch account balance

Lunches are provided only when the family's Sycamore lunch account has enough money to cover the cost. **A positive balance of $20 is required** before meals can be received. If the lunch account falls below $20, students will be unable to receive lunch.

Payments can be made directly through Sycamore or by contacting the Finance Office at finance@sfchristianschool.org.

Forgot lunch? We never want a child to go hungry. If your child forgets lunch, the office will call so you can bring one.
